

2017

# Southwestern Pharmacy Continuing Education

*Greetings  
Pharmacists!*

Continuing Education

**Seminars** – We are providing a two-day seminar (15 credit hours; 7.5 hours each day) in Weatherford (April 1-2), Tulsa (October 7-8) and Oklahoma City (November 11-12). Speakers will be **Drs. Melanie Claborn, Tom Davis, Brooke Gildon, Aimee Henderson, Meri Hix, Kalie Kerth and Les Ramos**. Be sure to review the seminar details, including the new early registration date, on the enclosed brochure and register at your earliest convenience.

**Correspondence Courses** – Two 4-hour correspondence courses are available. **Dr. Steve Pray** is the author for “Onychomycosis and Tinea Pedis: Background and Treatment Options” and **Dr. Krista Brooks** is the author for “Review of New Drugs”. The Correspondence Course Order Form, with program objectives, is provided.

**Program Approval** – The SW Pharmacy CE Programs are Oklahoma State Board of Pharmacy Approved, which is acceptable in **Oklahoma** as well as **Arkansas, Kansas, Mississippi, New Mexico and Texas** (as of 8/8/2014; see reverse side for more information). *Note: Southwestern Pharmacy Continuing Education is not an ACPE Provider and does not participate in the NABP CPE monitor electronic system. Before you register for our CE Programs, we encourage you to check with your board(s) of pharmacy to determine if our OSBP-approved programs will be accepted for your license renewal.*

**More Information** – For more information about the Continuing Pharmacy Education Programs, to place your correspondence course order, to register for a seminar and/or to request more information, please contact our office. And visit us online anytime ([www.southwesternpharmacy.com](http://www.southwesternpharmacy.com)).
